Unlock Dynamic Placement Opportunities with the UWA Work Integrated Learning Program!

Step beyond the classroom and embark on a journey with [WIL placements and internships for credit](#) at UWA. A WIL unit is not just another university unit - it's a stepping stone to real-world tangible experiences in the ever-evolving employment landscape!

Why should you apply?

-  **Holistic Experience:** Dive deep into hands-on projects and tasks, which will provide a comprehensive insight into your chosen industry
-  **Expand Your Network:** Connect with established professionals and leaders in your domain
-  **Diverse Opportunities:** Whether it's marketing, community outreach, innovative product development with top researchers, or crafting captivating communication resources, our placement offerings are many and diverse
-  **Envision Your Future:** Get a tangible feel of your potential career path and make informed decisions about your future

Key details about WIL

- Option or elective placement unit for 6 credit points
- Complete 100 hours of placement plus assessment items
- Available to students who have completed a minimum of 48 credit points and meet pre-requisites
- Available in both Sem 1, Sem 2 OR during the summer or winter break (depending on your course)
- Assessment outcome: Ungraded Pass/Fail

WIL Information Session: watch on UniHub

In [this recorded session](#) we explain more details about the program and guide you through the application steps.
